

3838 Oak Lawn, Suite # 1414 Dallas TX 75219

Dear John,

I have used United Carpet Cleaning Systems on several new construction projects, ranging from water extraction, dehumidifying, drying our wood floors and final carpet cleanings before the buildings are turned over to the owners with complete satisfaction.

From your fast response time to your professional safety conscious technicians, and your dedication to your customers, United Carpet Cleaning Systems has become my only call for all my cleaning needs.

Thank you,

Barry Rosenberg

Superintendent

Andres Construction LLC.
